Dear Center Township Resident,

WM is excited to continue trash and recycling services in 2024. We will continue to provide you with weekly trash service, along with every other week single-stream recycling collection services. Recycling benefits your community as it not only conserves natural resources, but it also helps reduce the amount of materials sent to the landfill. Plus, with single-stream recycling, all your recyclables go into one container – remember, no plastic bags. We look forward to helping your community be as clean – and green - as possible throughout 2024 and beyond.

Collection Times

Place trash and or collection totes at the curb the night before collection or by 6:00 am the morning of collection.

Missed Collections and Additional Information

Despite our best efforts, we occasionally miss scheduled collections. If you believe you missed service, visit www.wm.com. Residents can also sign up for a My WM Account to conveniently report missed pickups.

Inclement Weather

Severe winter weather can be a challenge to our daily operations. During periods of inclement weather, our team will be providing customers with real time service alert updates at www.wm.com - we recommend book marking this site for easy accessibility. When possible, we may also notify you by phone or email if your collection route is canceled or will be delayed.

2024 Observed Holidays

WM observes the following holidays.

New Year's Day | Memorial Day | Fourth of July | Labor Day
Thanksgiving Day | Christmas Day.

When your collection day falls on one of these holidays, or a day that week after the holiday, your service will be delayed one day during that week only. There will be no delays if a holiday falls on a Saturday or Sunday.

Do More with My WM

Powerful My WM online capabilities are available to help you manage your services. Visit wm.com/mywm or scan the QR code to sign up for an account and get started.

Bulk Items and Overflow Material

WM will only collect material that fits inside your trash and recycling containers.

All trash must be bagged and fit inside the provided cart. Recyclables must be placed loose into your recycling bin and boxes must be broken down.

WM will collect **two** bulk items once per month during the 1st full week of the month at no additional charge. Place your bulk items at the curb on the same day as your trash collection during your bulk collection week. **Additional bulk items can be scheduled and paid for at www.wm.com.**

What is a bulk item?

A bulk item is an appliance, piece of furniture, or some other residential item that is too large for a container. Construction debris and hazardous waste are not permitted as bulk items.

Bulk Waste

- Furniture including chairs, tables, armoire, cabinet, chest, headboard, sofa, mattresses, dressers and interior doors
- Household appliances including washer, dryer, dishwasher, stove, toilet, refrigerator (freon must be removed and must be tagged), microwave, hot water tank, etc.
- Carpeting (must be cut into 4-foot bundles)
- Picnic table or bench (unattached), basketball board or pool (6' or less in height), swing set (unassembled)

NOT Bulk Waste and Unaccepted Materials

- Concrete, brick, asphalt, roofing, electronics
- Vehicles and parts
- Building materials such as plaster, dry wall, wood, construction debris, etc.

Restricted Items

The following items will not be collected as part of your regular waste and recycling collection:

- Construction/demolition materials
- Dirt, stone, concrete, rock
- Materials from fires or evictions
- Antifreeze
- Automotive parts
- Medical wastes
- Tires

Please visit the Pennsylvania Department of Environmental Protection's website at www.dep.pa.gov to learn how to recycle or properly dispose of these items.

Great things happen when residents Recycle Right®. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved.

- Empty recyclables loose into your cart - don't bag recyclables and no loose plastic bags. Instead, reuse or return plastic bags to local retailers.
- Containers should be empty and free from food and liquid.
- Recyclables are collected every-other-week.
